## 2. Running 2 U KOR Lyrics

See ya, last night I had a dream of this spot 맴도는 이 멜로디 언연이 아냐 느낌이 뭔가 다른 너와의 eye contact 말 없이 빨라지는 두 발은 너도 같아 (Let's go) 너도 같겠지 나와 생각이 And I'm sitting on your seat 네게 날 지불해 no tax 뭐든 one for all my baby know that 알면서 넌 괜히 모르는 척 해 No price I know 네 collar에 color를 더해줘 난 네 귤가를 맴도는 이 음악소린 눈을 감아도 선명해지는 내 music 어쨌 두드릴까 머뭇거렸던 그 순간 뒤를 돌아서 이미 멀어지고 있는 너를 따라 Running to you

\*널 따라 Running to you 멈출 수가 없어 너를 따라 Running to you

See that First Time, 너는 나를 거르려 해 그리곤 들이키지 왜나 거침없게 See I could be a gentleman, trying to treat ya, 되든 안되든 계속해서 반복해 repeat and repeat See me no sleeping 24/7 널 쫓아가 너의 인기척이 누구보다 확실한 그래서 그런지 난 네가 기억나지 헛갈려 한 통시 우린 더 가깝지 네 귤가를 맴도는 이 음악소린 낯선 너와 날 하나로 이어준 music 그냥 돌아갈까 고갤 돌리던 그 순간 마주친 시선 너무 익숙한 이 느낌 네게 다시 Running to you

\*Repeat

너와 나의 빈틈을 파고들던 리듬처럼 너는 내게 스며들어 나를 가득 채운 너를 따라 Running to you 마음으로 불러본 너 (닿고 싶어 조금 더) 거짓말처럼 걸음을 멈춘 너 oh Yeah, 같은 리듬 속에 (uh huh) 너

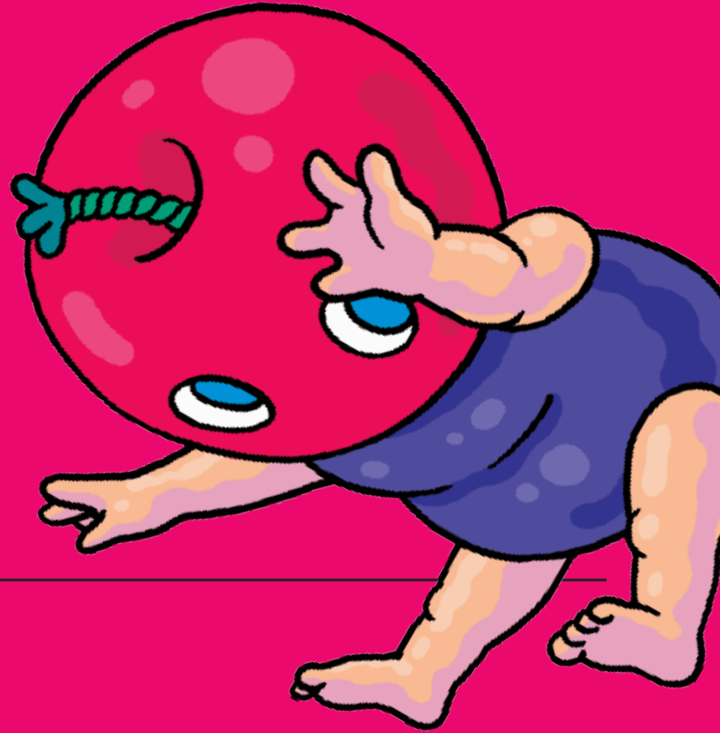

## 2. Running 2 U ENG Lyrics

See ya, last night I had a dream of this spot This haunting melody is not a coincidence Something's different with our eye contact My footsteps getting faster, just as yours do too (Let's go) We're both on the same page And I'm sitting on your seat I pay myself on you, no tax Anything one for all my baby know that I know you know, you're just pretending No price I know I add color on your collars This sound of music around your ears Getting clearer as you close your eyes The moment I hesitated If I should tap your shoulder You already turned away You're already far away After you, Running to you

\*Following you Running to you I can't stop following you, Running to you

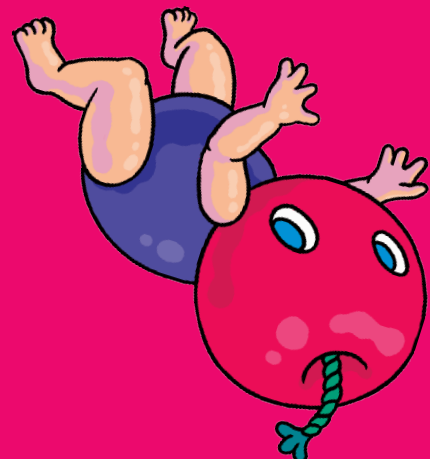

See that First Time, you tried to avoid me And you took me with no second thoughts See I could be a gentleman, trying to treat ya, Keep working at it on repeat and repeat See me no sleeping 24/7 I'm after you Your aura is undeniable Easier to have you in my mind We were confused yet we're closer now This sound of music around your ears This music that's formed us into one Should I go back The moment I turn back I see your eyes I'm so used to this feeling Again I'm Running to you

와 나를 맡겨봐 이 노래처럼 eh 하나가 될 수 있게 oh Running to you Running to you Oh Running to you (I can I can) 뒤돌아서 웃는 너를 향해 Running to you Running to you Running to you 널 찾아 Running to you Oh Running to you 미소 짓고 있는 너를 향해 Running to you Running to you

\*Repeat

The rhythm that's slipped into the space between us You fade into me You fill me up, and I'm Running to you I called you with my heart (I want to get closer) This can't be right, You just stopped walking oh Yeah, to this rhythm (uh huh) Let ourselves go, like this music eh We will be one oh Running to you Running to you Oh Running to you (I can I can) Turn back, Smile, I'm Running to you Running to you Running to you, in search of you, Running to you Oh Running to you I'm Running to you, your smile, to you Running to you

\*Repeat

Come on yeah. Always, always be with me The sky, the stars, the hours and days. Under the same sun We get closer by every inch Our hearts beat to the same rhythm Figure it, figure, and figure, figure it out It's a crime if I don't do anything but to stare at you Making secrets day by day I want to get to know you. Just seconds apart (Just seconds apart) Touch and figure it out. Get out of the same zone. Right in front of you (alright) before your eyes (yeah) Touch and figure it out.
